

Surveyor or Survey Technician

Are you looking for a change? Would you like to live and work in Australia? Would you like to be working one day on a city shaping infrastructure project, then find yourself on a subdivision or perhaps a state of the art 40 storey high rise? If yes, LandPartners is looking for you.

About us

LandPartners Pty Ltd is a highly regarded surveying and planning consultancy. We work in partnership with our clients to deliver landmark and award-winning projects. Our services include Surveying & Titling, Mapping & GIS, Planning & Urban Design, 3D Scanning and 3D Modelling.

What we offer

- The opportunity to work with some of the most experienced and well-regarded professionals in Australia
- The latest survey technology including terrestrial and mobile laser scanning, drones and ground penetrating radar
- Mentoring, training and career growth opportunities
- A friendly, people-oriented team culture where you can thrive
- Highly competitive remuneration

What we are seeking

- Tertiary qualifications in Surveying
- Experience with major projects such as civil infrastructure, construction, engineering and high-rise developments
- Excellent communication, teamwork skills and innovative thinking
- Driver's licence
- Unrestricted rights to work in Australia

If you are interested, and you are entitled to work in Australia, please send your resume to Human Resources at hr@landpartners.com.au
