24 March 2020

Postponement of the May 2020 exam

Due to the Country lockdown the Council is required to work from home with effect from 27 March to 17 April.

Kindly note that we have taken the responsible decision to postpone the May 2020 examination until further notice.

In an effort to avoid the spreading of the Covid-19 virus we apologise for the inconvenience caused by the postponement of this examination.

As soon as the suspension of all gatherings is lifted, we will communicate via email and on the SAGC website when the next examination will take place.

We hope and pray that you and your loved ones are safe as we fight this disease together as a nation.

Mrs J E Vermaak

Registrar
