TO WHOM IT MAY CONCERN

Work Integrated Learning: Mr PP Mopeli (Student number: 53518179)

Mr. Mopeli is registered as student at Unisa for the National Diploma in Mine Surveying.

Experiential Learning (also called Work Integrated Learning) is an important component of this programme.

The University would appreciate the cooperation of any Mine or Training Provider that could assist him in getting the necessary exposure and practical skills to the mining environment to enable him to complete the experiential Learning which is a pre-requisite for him to qualify.

Mr Mopeli has already brilliantly completed the major part of the theoretical subjects in the field of Mine Surveying and Valuation that need to be supplemented by practicals in the format of in-service training. He is fully supported and recommended.

Yours faithfully,

Lugoma Masikini
Lecturer: Mine Surveying and Valuation
