

TIMBILA MKHARI

Mine survey student
tmkhari15@gmail.com
0840231622

PROFILE

I aspire to apply for a platform that will enable me to gain practical experience in mine surveying as this is one of the requirements towards obtaining my qualification. I'm a hard working and open minded student who has through theoretical learning acquired communication skills, team work, problem solving and Microsoft office skills with an inclusion of Outlook and Excel. I aim to utilise my skills in maintaining employment relation in the workplace and also learn more from my appointed mentors.
