TO WHOM IT MAY CONCERN

Name: Simphiwe Ndlangamandla
Student Number: NDLSIM013
Date of Birth: 11 July 1998

I hereby confirm that Simphiwe Ndlangamandla was registered as a student at the University of Cape Town (UCT). Simphiwe Ndlangamandla was registered from 2017 to December 2020 for the qualification of Bachelor of Science in Geomatics, specialising/majoring in the following:

- 1 Surveying

The student has met the requirements for the award of the qualification and is thus able to be employed as a graduate or proceed with further studies.

The qualification will be conferred and the certificate issued at a graduation ceremony in July 2021. The confer date for the graduation session is the 13 July 2021. The confer date must not be confused with the graduation date. UCT's student record system holds one graduation date per season, which means that we use the first date of the session for **all** students and **all** qualifications. The actual date on which a student graduates will differ, and in July the ceremonies are scheduled from the 13 July 2021 to 23 July 2021. The roster of graduation ceremonies will be published by April 2021.

The qualification awarded to the student can be viewed using [Public Access](#). A PDF copy of this letter as well as the student's Academic Record can be retrieved by the student via their secure PeopleSoft Self-Service online access. The PDF copy of this letter can be downloaded by the student via their *View My Communications* link in their secure PeopleSoft Self-Service online access. Within the *View My Communications* link, select the *View* button in the *General* category then select *Details* for the *Proof of Qualification* communication.

If students have fees outstanding, they will not be able to access their academic record or graduate in July. They must liaise with the Fees Office to settle outstanding fees.

Please contact the Student Records Office if you require further information.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Rethar Jansen'.
