Dear Sir / Madam

Application for Land Surveying Internship

I am submitting these documents in the hope of obtaining a Land Surveying internship position with your company in order to complete my education. I am S'fiso Vincent Ngwane, a male of 26 years old. I have completed S4 Diploma in Surveying Engineering at Mangosuthu University of Technology.

I have attached my resume which shows in depth my background and education but the following is a brief summary for your convenience:

- I have not worked in the surveying industry as of yet, but I have completed the majority of my coursework that could be considered experience.
- The time required to fulfill my obligation as an intern does not bother me and I am willing to continue on with the company after this period if need be.
- I take direction well and understand that I am not ready to work on my own yet and that I need the guidance of a surveyor who has more experience than I do.
- I am diligent and looking forward to attain my goals through dedication and perseverance.

Working as an intern is necessary in order to complete my schooling which I am excited about doing. For this reason, I know I would bring an enthusiasm to my work and would be an asset to the field of surveying engineering.

I can be reached in order to further discuss my education and your needs by calling 078 859 7498 or by emailing me at sfisomatiwan@gmail.com I know that I can make a positive contribution to your company.

Sincerely,

S'fiso Vincent Ngwane (Mr)
