Dear Sir/ Madam

Application for GIS Software Support & Trainer

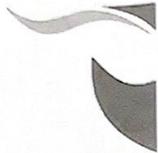

I would like to submit my application for your consideration. I am a 3rd year Geomatics student at the Cape Peninsula University of Technology majoring in Geographic Information Systems seeking an in-service training opportunity at an established organization as part of my Experiential Learning training to enable me to complete and obtain my qualification in Geomatics.

With my educational background, I have acquired knowledge on how to utilize mapping software to analyze spatial data and digital maps by digitizing, inputting and ensuring data integrity which enables users to make informed decisions about spatial patterns and relationships. Additionally, my organizational communication skills and my ability to work in a team-orientated environment would help me thrive in this position whilst also excelling within more independent roles. I am also able to apply my technical and analytical skills to drive projects to achieve optimal results.

My academic background coupled with my enthusiasm and dedication to achieving success; I believe could swiftly surpass your expectations as your GIS specialist at your organization. I look forward to discussing the position in further detail.

I would like to thank you for taking time to consider my application.

Sincerely,
Lilitha Bam
