Personal Profile

I am adaptive. I am always up for a challenge, and I own it. I give my utmost best to whatever I do. In my third year of studying Geomatics(Surveying), believe having respect for any craft or work improves a person's ability in mastering it, but I am most invested in the one I am gifted the opportunity to explore. I am a thorough learner.

Core Skills

- Microsoft Office
- Basic Knowledge of QGIS, AllyCad, and Civil Designer.
- I can use the Total Station, the GPS, and the automatic level.

Languages

- English, IsiXhosa, IsiZulu - Fluent

Work Experience

Operator

Yanfeng Automotive Interiors - East London, Eastern Cape
