## PERSONAL STATEMENT

---

I am a self-motivated individual with an interest in sustainable development, geospatial sciences, and lastly climate change. My academic results reflect my hard work and dedication to any given project. Furthermore, my undergraduate and postgraduate studies have heightened my ability to work in a team and alone to ensure that tasks are completed on time. I aspire to be in a work environment that will enhance my knowledge, capabilities, and professional growth.

## EDUCATION

---

### BA Honours In Geography

University of Johannesburg

2022

Majors

- Geographic Information Systems
- Remote Sensing
- Strategic Environmental Planning
