Objective:

As a first-year land surveying student, I am eager to gain practical experience and job shadowing opportunities within the field of land surveying. Seeking a challenging position that will allow me to apply my theoretical knowledge, enhance my skills, and contribute to real-world projects.

Education:

University of Cape Town, Western Cape
Bachelor of Science in Geomatics - Land Surveying (1st year)

Relevant Coursework:

Geomatics I
Practical Training in Geomatics
Introduction to Programming
Introduction to Earth and Environmental Sciences Mathematics IA for Engineers Extended
Mathematics I B for Engineers Extended
Physics A for Aspect
Introductory Statistics

Personal Note:

I am dedicated to continually expanding my knowledge and skills in the field. I am confident that my strong work ethic and eagerness to learn, make me a valuable candidate for a work experience opportunity in land surveying.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and enthusiasm align with your organisation's needs.
