Email: Tshepothabang690@gmail.com / Vicarmalatjie2@gmail.com

PERSONAL PROFILE

Recently completed a Bachelor of Geomatics in Land surveying specializing with surveying . I am very goal driven and enthusiastic. I am proficient in surveying techniques and I am very familiar with several surveying instruments such as dumpy level, theodolite and total station and GPS and also software such as Model maker , QGIS and R studio.

PERSONAL DETAILS

Date of Birth	: 27 September 1999
Identity Number	: 9909275475088
Gender	: Male
Health	: Excellent
Criminal Record	: None
Citizen	: South Africa
Race	: Black
Driver's License	: Code 10
Home Language	: Sepedi
Other Languages	: English, and Xitsonga
Interest	: Drawing

EDUCATION

2020 - 2023	Tshwane university of Technology Bachelor of Geomatics in Land Surveying
2014 - 2018	Hudson Ntsan'wisi Senior Secondary School Grade 12

EXPERIENCE.

- None

PRACTICAL SKILLS GAINED DURING DEGREE

- Computing circular, vertical and transitional curve, and plotting them on the ground using Total Station and Establish control points using Total Station.
- Levelling using a dumpy level, and creating a route profile using a Model maker.
- Detailed survey and creating a map using Model maker software.
- Calibrating and correcting images using Matlab software in remote sensing techniques
- Conducting a project of identifying a suitable vegetation and water site using GIS techniques
- Beacon relocation using both Total Station and GPS Trimble and designing a layout of undeveloped area using AUTO CAD software.

RELEVANT SKILLS

- Problem Solving
- Innovative and Creative thinking
- Team player
- Communication Verbal and written(English)
- Time Management Attention to details
- Positive Attitude , Work Committed and Resilience

ADDITIONAL ACHIEVEMENTS AND AWARDS

- Best learner in Technical Mathematics in 2018
- In 2018 a top 3 learner in technical science and technical mathematics and civil technology

LEISURE INTEREST

- Enjoy swimming and watching movies.
- Other interests include travelling and camping.
