Dear Sir/Madam

I am writing to express my interest in the Junior surveying position recently advertised. With 1+years of experience in Precise Levelling of roads, Topographical Surveys, Cadastral office work, Cadastral surveys, As-built and Beacon relocation, setting out and precise surveys such as creating control points. I possess a strong foundation in Mathematical and technical skills, combined with excellent analytical skills and problem solving abilities.

In my Current role at NSI GEOMATICS and Department of Agriculture, Land Reform and Rural Development under Surveyor general office, I have honed my expertise in

-Operating GNSS Trimble R8s , Trimble Total station, Leica GNSS surveying instruments.

-Conducting field surveys and data analysis using surveying softwares such as Model Maker, PlanetGIS, Autocad, Microstation, Trimble Assess and Microsoft office.

-Preparing accurate maps and plans

-Collaborating with teams and communicating with clients.

I am confident in the ability to

-Work efficiently in fast paced environments

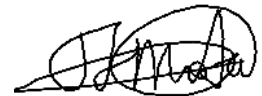

-meet project deadlines and ensure accuracy.

I am eager to bring my skills and passion for land surveying to your company and contribute to the success of your team

Thank you for considering my application. I look forward to discussing my qualifications further.

Yours sincerely

Mr Motau
