## Profile

**Summary** As a Tshwane University of Technology aspiring Surveyor Technician, I bring strong problem-solving skills and the ability to work independently, ensuring precise and reliable results. My dependable nature and excellent communication skills allow me to collaborate effectively within teams and with clients. I am adept at handling tasks under pressure while maintaining high standards of accuracy and efficiency. With an organized approach, I am committed to contributing to projects that demand technical expertise and attention to detail, while continuously developing my skills in this dynamic field. As a dedicated Surveyor Technician, I excel in leveraging strong organizational skills to manage complex surveying projects efficiently. Ready to apply my experience of work from school based on dealing with large dataset of measurement about level of surface.
