(a) that the situation will progressively become worse as a result of the increase in the number of such persons who do not have registered title deeds in respect of the land concerned, or the undivided shares in or defined portions of the land concerned; or

(b) that the cost of acquiring in the usual manner registered title deeds in respect of the land concerned, or undivided shares in or defined portions of such land, would, with reference to any number of pieces of such land, or undivided shares in or defined portions of such land, be out of proportion to the value thereof,

and that in these circumstances the said land cannot be developed or utilized to the best advantage of the said persons, the Minister may, subject to the provisions of section 5 (7), by notice in the Gazette designate such land or any part thereof as land which may be dealt with in accordance with the provisions of this Act.

(2) Notwithstanding the provisions of subsection (1) and any decision taken under that subsection, the Minister may by notice in the Gazette and with effect from a date mentioned in that notice withdraw from a designation under subsection (1) any piece of land which in the opinion of the Minister, formed after investigation by the commissioner concerned, should not be dealt with in accordance with the provisions of this Act by such commissioner.

3. Appointment of title adjustment commissioner

(b) the commissioner shall, if he does not refuse the request under paragraph (a)—

(i) convene a meeting at a place in the district in which the designated land concerned is situated, for the hearing by him of such further evidence or such representations as

(2)

(a) If all the applicants to whom undivided shares in one or more pieces of designated land have been allocated under subsection (1) or who are entitled to such an allocation, submit to the commissioner within two months from a date fixed by the commissioner a written partition agreement entered into with reference to such land by such applicants and the registered owners of undivided shares in such land who are not applicants (if there are any such owners), the commissioner shall, after subdivision of the land, allocate the different portions in accordance with the partition agreement.

(10) The registrar of deeds shall make such endorsement on the registry duplicate and, upon the production thereof to him, on the original of any registered document relating to a mortgage, trust, fideicommissum, usufruct or other encumbrance referred to in subsection (8), as he may deem necessary in order to give effect to the provisions of that subsection and subsection (9).

(11) If an applicant dies after his application has been submitted to the commissioner but prior to the allocation or transfer of the land referred to in such application, such land may be allocated or transferred to the deceased's successor in title or heir after the claim of the successor in title or heir has been proved to the satisfaction of the commissioner.

(2) Any piece of land referred to in subsection (1) shall be sold and be transferred free from any mortgage or any trust, fideicommissum, usufruct or other encumbrance by virtue of a will or other disposition in writing, but subject to any other registered right with which the land is encumbered at the date of allocation in terms of section 10 (1).

(3) The proceeds of a sale under subsection (1) shall be paid to the Director-General and shall be distributed by him in accordance with the provisions of this section.

(4) The proceeds shall be allocated by the commissioner to the owners concerned in such manner that the amount allocated to an owner bears in relation to the total amount of the proceeds the same ratio as the share or shares of such owner bear in relation to the total shareholding in the land concerned.

(5) From the amount allocated to an owner in terms of subsection (4), there shall be deducted -

(a) any amount payable in terms of section 5 (2) by such owner to the Director-General and such part of the expenditure incurred by the commissioner in connection with the sale as bears the same ratio to such expenditure as the share or shares of such owner bear to the total shareholding in the land concerned;

(6) An amount deducted in terms of subsection (5) (b) shall be paid by the Director-General to the mortgagee concerned.
